[Public, No. 201.]

CHAP. 266.—An Act Making appropriations for the Department of Agriculture for the fiscal year ending June 30, 1925, and for other purposes.

Department of Agriculture appropriations.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for the Department of Agriculture for the fiscal year ending June 30, 1925, namely:

Secretary's Office.

OFFICE OF THE SECRETARY.

SALARIES.

Secretary, Assistant, and office personnel.
Extra labor, etc.
Vol. 42, p. 1488.

Provisos.
Salaries not to exceed average rates and grades.

For Secretary of Agriculture, \$12,000; Assistant Secretary and other personal services in the District of Columbia, \$465,495; and for extra labor and emergency employments, \$7,294; in accordance with the Classification Act of 1923; in all, \$484,789: *Provided*, That in expending appropriations or portions of appropriations, contained in this Act, for the payment for personal services in the Dis-

trict of Columbia in accordance with "The Classification Act of 1923," the average of the salaries of the total number of persons under any grade or class thereof in any bureau, office, or other appropriation unit, shall not at any time exceed the average of the compensation rates specified for the grade by such Act: *Provided*, That this restriction shall not apply (1) to grades 1, 2, 3, and 4 of the clerical-mechanical service, or (2) to require the reduction in salary of any person whose compensation is fixed, as of July 1, 1924, in accordance with the rules of section 6 of such Act, or (3) to prevent the payment of a salary under any grade at a rate higher than the maximum rate of the grade when such higher rate is permitted by "The Classification Act of 1923," and is specifically authorized by other law.

Not applicable to clerical mechanical service.
No salary reductions.

Higher payments allowed.

For salaries and compensation of necessary employees in the mechanical shops and power plant of the Department of Agriculture, \$103,000.

Mechanical, etc., employees.

MISCELLANEOUS EXPENSES, DEPARTMENT OF AGRICULTURE.

For stationery, blank books, twine, paper, gum, dry goods, soap, brushes, brooms, mats, oils, paints, glass, lumber, hardware, ice, fuel, water and gas pipes, heating apparatus, furniture, carpets, and mattings; for lights, freight, express charges, advertising, and press clippings, telegraphing, telephoning, postage, washing towels, and necessary repairs and improvements to buildings and heating apparatus; for the purchase, subsistence, and care of horses and the purchase and repair of harness and vehicles, for official purposes only; including necessary expenses for the maintenance, repair, and operation of an automobile for the official use of the Secretary of Agriculture; for the payment of the Department of Agriculture's proportionate share of the expense of the dispatch agent in New York; for official traveling expenses; and for other miscellaneous supplies and expenses not otherwise provided for and necessary for the practical and efficient work of the department, \$156,000.

Contingent expenses.

RENT OF BUILDINGS IN THE DISTRICT OF COLUMBIA.

For rent of buildings and parts of buildings in the District of Columbia, for use of the various bureaus, divisions, and offices of the department of Agriculture, \$196,866: *Provided*, That only such part of this sum shall be available to pay rent for space which can not be furnished by the Public Buildings Commission in Government buildings located in the District of Columbia.

Rent.

Buildings, etc., D. C.

Proviso.
Restriction.

For rent for the Fixed Nitrogen Research Laboratory, \$10,000, to be paid from the funds transferred to the Department of Agriculture by the War Department.

Nitrogen Research Laboratory.
From Army funds.

OFFICE OF EDITORIAL AND DISTRIBUTION WORK.

Salaries: For chief of office and other personal services in the District of Columbia in accordance with the Classification Act of 1923, \$330,000.

Editorial and distribution work.

Chief, and office personnel.

General expenses, Office of Editorial and Distribution Work: For miscellaneous objects of expenditure in connection with the publication, indexing, illustration, and distribution of bulletins, documents, and reports, as follows:

General expenses.

For labor-saving machinery and supplies, envelopes, stationery and materials, office furniture and fixtures, photographic equipment and materials, artists' tools and supplies, telephone and telegraph service, freight and express charges; purchase and maintenance of bicycles; purchase of manuscripts; traveling expenses; electrotypes, illustrations, and other expenses not otherwise provided for, and

etc.

Experiment stations
in Territorial and insular
possessions.

For all printing and binding for the Department of Agriculture, including all of its bureaus, offices, institutions, and services, located in Washington, District of Columbia, and elsewhere, \$738,000, including the Annual Report of the Secretary of Agriculture, as required by the Act approved January 12, 1895, and in pursuance of the joint resolution numbered 13, approved March 30, 1906, and also including not to exceed \$250,000 for farmers' bulletins, which shall be adapted to the interests of the people of the different sections of the country, an equal proportion of four-fifths of which shall be delivered to or sent out under the addressed franks furnished by the Senators, Representatives, and Delegates in Congress, as they shall direct, but not including work done at the field printing plants of the Weather Bureau and the Forest Service authorized by the Joint Committee on Printing, in accordance with the Act approved March 1, 1919.

OFFICE OF EXPERIMENT STATIONS.

Salaries: For chief of office and other personal services in the District of Columbia in accordance with the Classification Act of 1923, \$39,188.

GENERAL EXPENSES—OFFICE OF EXPERIMENT STATIONS.

To carry into effect the provisions of an Act approved March 2, 1887, entitled "An Act to establish agricultural experiment stations in connection with the colleges established in the several States under the provisions of an Act approved July 2, 1862, and of the Acts supplementary thereto," the sums apportioned to the several States, to be paid quarterly in advance, \$720,000.

To carry into effect the provisions of an Act approved March 16, 1906, entitled "An Act to provide for an increased annual appropriation for agricultural experiment stations and regulating the expenditure thereof," the sums apportioned to the several States, to be paid quarterly in advance, \$720,000.

To enable the Secretary of Agriculture to enforce the provisions of the Acts approved March 2, 1887, and March 16, 1906, relative to their administration and for the administration of agricultural experiment stations in Alaska, Hawaii, Porto Rico, the Island of Guam, and the Virgin Islands of the United States, including the employment of clerks, assistants, and other persons in the city of Washington and elsewhere, freight and express charges, official traveling expenses, office fixtures, supplies, apparatus, telegraph and telephone service, gas, electric current, and rent outside of the District of Columbia, \$69,180; and the Secretary of Agriculture shall prescribe the form of the annual financial statement required under the above Acts, ascertain whether the expenditures are in accordance with their provisions, coordinate the work of the Department of Agriculture with that of the State agricultural colleges and experiment stations in the lines authorized in said Acts, and make report thereon to Congress.

To enable the Secretary of Agriculture to establish and maintain agricultural experiment stations in Alaska, Hawaii, Porto Rico, the island of Guam, and the Virgin Islands of the United States, including the erection of buildings, the preparation, illustration, and distribution of reports and bulletins, and all other necessary ex-

penses, \$210,000, as follows: Alaska, \$69,500; Hawaii, \$53,000; Porto Rico, \$50,000; Guam, \$15,000, and the Virgin Islands of the United States, \$22,500; and the Secretary of Agriculture is authorized to sell such products as are obtained on the land belonging to the agricultural experiment stations in Alaska, Hawaii, Porto Rico, the island of Guam, and the Virgin Islands of the United States, and the amount obtained from the sale thereof shall be covered into the Treasury of the United States as miscellaneous receipts: *Provided*, That of the sum herein appropriated for the experiment station in Hawaii \$10,000 may be used in agricultural extension work in Hawaii.

Allotments.

Sale of products.

Proviso.
Hawaii extension work.

EXTENSION SERVICE.

Extension Service.

Salaries: For chief of office and other personal services in the District of Columbia in accordance with the Classification Act of 1923, \$190,000.

Chief, and office personnel.

GENERAL EXPENSES, EXTENSION SERVICE.

General expenses.

For farmers' cooperative demonstration work, including special suggestions of plans and methods for more effective dissemination of the results of the work of the Department of Agriculture and the agricultural experiment stations and of improved methods of agricultural practice, at farmers' institutes and in agricultural instruction, and for the employment of labor in the city of Washington and elsewhere, supplies, and all other necessary expenses, \$1,307,940: *Provided*, That the expense of such service shall be defrayed from this appropriation and such cooperative funds as may be voluntarily contributed by State, county, and municipal agencies, associations of farmers, and individual farmers, universities, colleges, boards of trade, chambers of commerce, other local associations of business men, business organizations, and individuals within the State.

Farmers' cooperation demonstration work.

Proviso.
Voluntary contributions within a State accepted

For cooperative agricultural extension work, to be allotted, paid, and expended in the same manner, upon the same terms and conditions, and under the same supervision as the additional appropriations made by the Act of May 8, 1914 (Thirty-eighth Statutes at Large, page 372), entitled "An Act to provide for cooperative agricultural extension work between the agricultural colleges in the several States receiving the benefits of an Act of Congress approved July 2, 1862, and of Acts supplementary thereto, and the United States Department of Agriculture," \$1,300,000; and all sums appropriated by this Act for use for demonstration or extension work within any State shall be used and expended in accordance with plans mutually agreed upon by the Secretary of Agriculture and the proper officials of the college in such State which receives the benefits of said Act of May 8, 1914: *Provided*, That of the above appropriation not more than \$300,000 shall be expended for purposes other than salaries of county agents.

Additional cooperative extension work.

Vol. 38, p. 372.

Plans of expenditures.

Proviso.
County agents.

To enable the Secretary of Agriculture to make suitable agricultural exhibits at State, interstate, and international fairs held within the United States; for the purchase of necessary supplies and equipment; for telephone and telegraph service, freight and express charges; for travel, and for every other expense necessary, including the employment of assistance in or outside the city of Washington, \$99,880.

Agricultural exhibits at State, etc., fairs.

For general administrative expenses connected with the Extension Service and for miscellaneous expenses incident thereto, \$13,500.

Administrative expenses.

Total, office of the Secretary of Agriculture, \$6,712,343.

Weather Bureau.

WEATHER BUREAU.

SALARIES.

Chief, and office personnel.

For chief of bureau and other personal services in the District of Columbia in accordance with the Classification Act of 1923 and for personal services in the field, \$395,000.

General expenses.

GENERAL EXPENSES, WEATHER BUREAU.

Classification.

Vol. 26, p. 653.

For carrying into effect in the District of Columbia and elsewhere in the United States, in the West Indies, in the Panama Canal, the Caribbean Sea, and on adjacent coasts, in the Hawaiian Islands, in Bermuda, and in Alaska, the provisions of an Act approved October 1, 1890, so far as they relate to the weather service transferred thereby to the Department of Agriculture, for the employment of professors of meteorology, district forecasters, local forecasters, meteorologists, section directors, observers, apprentices, operators, skilled mechanics, instrument makers, foremen, assistant foremen, proof readers, compositors, pressmen, lithographers, folders and feeders, repairmen, station agents, messengers, messenger boys, laborers, special observers, displaymen, and other necessary employees; for fuel, gas, electricity, freight and express charges, furniture, stationery, ice, dry goods, twine, mats, oil, paints, glass, lumber, hardware, and washing towels; for advertising; for purchase, subsistence, and care of horses and vehicles, the purchase and repair of harness, for official purposes only; for instruments, shelters, apparatus, storm-warning towers and repairs thereto; for rent of offices; for repair and improvements to existing buildings and care and preservation of grounds, including the construction of necessary outbuildings and sidewalks on public streets abutting Weather Bureau grounds; and the erection of temporary buildings for living quarters of observers; for official traveling expenses; for telephone rentals, and for telegraphing, telephoning, and cabling reports and messages, rates to be fixed by the Secretary of Agriculture by agreement with the companies performing the service; for the maintenance and repair of Weather Bureau telegraph, telephone, and cable lines; and for every other expenditure required for the establishment, equipment, and maintenance of meteorological offices and stations and for the issuing of weather forecasts and warnings of storms, cold waves, frosts, and heavy snows, the gauging and measuring of the flow of rivers and the issuing of river forecasts and warnings; for observations and reports relating to crops, and for other necessary observations and reports, including cooperation with other bureaus of the Government and societies and institutions of learning for the dissemination of meteorological information, as follows:

Cooperation with other bureaus, etc.

Expenses in Washington.

For necessary expenses in the city of Washington incident to collecting and disseminating meteorological, climatological, and marine information and for investigations in meteorology, climatology, seismology, evaporation, and aerology, \$142,000;

Printing office.

For the maintenance of a printing office in the city of Washington for the printing of weather maps, bulletins, circulars, forms, and other publications, including the pay of additional employees, when necessary, \$11,500: *Provided*, That no printing shall be done by the Weather Bureau that can be done at the Government Printing Office without impairing the service of said bureau;

Proviso.
Limitation of work.

Expenses outside of Washington.

For necessary expenses outside of the city of Washington incident to collecting and disseminating meteorological, climatological, and marine information, and for investigations in meteorology, climatology, seismology, evaporation, and aerology, \$1,339,735;

For investigations, observations, and reports, forecasts, warnings, and advices for the protection of horticultural interests, \$20,000;

For official traveling expenses, \$28,000;

For the maintenance of stations, for observing, measuring, and investigating atmospheric phenomena, including salaries, and other expenses in the city of Washington and elsewhere, \$88,800;

In all, general expenses, \$1,630,035.

Total, Weather Bureau, \$2,025,035.

Forecasts, warnings, etc.

Traveling expenses.

Aerological stations.

BUREAU OF ANIMAL INDUSTRY.

Animal Industry Bureau.

cluding the establishment and maintenance of quarantine stations and repairs, alterations, improvements, or additions to buildings thereon; the inspection work relative to the existence of contagious diseases, and the mallein testing of animals, \$573,000: *Provided*, That of this sum \$30,000 may be used for the purchase and distribution of blackleg vaccine at cost;

For investigating the disease of tuberculosis of animals for its control and eradication, for the tuberculin testing of animals, and for researches concerning the cause of the disease, its modes of spread, and methods of treatment and prevention, including demonstrations, the formation of organizations, and such other means as may be necessary, either independently or in cooperation with farmers, associations, State, Territory, or county authorities, \$3,277,600, of which \$850,000 shall be set aside for administrative and operating expenses and \$2,427,600 for the payment of indemnities: *Provided, however*, That in carrying out the purpose of this appropriation, if in the opinion of the Secretary of Agriculture it shall be necessary to destroy tuberculous animals and to compensate owners for loss thereof, he may, in his discretion, and in accordance with such rules and regulations as he may prescribe, expend in the city of Washington or elsewhere out of the moneys of this appropriation, such sums as he shall determine to be necessary, within the limitations above provided, for the reimbursement of owners of animals so destroyed, in cooperation with such States, Territories, counties, or municipalities, as shall by law or by suitable action in keeping with its authority in the matter, and by rules and regulations adopted and enforced in pursuance thereof, provide inspection of tuberculous animals and for compensation to owners of animals so destroyed, but no part of the money hereby appropriated shall be used in compensating owners of such animals except in cooperation with and supplementary to payments to be made by State, Territory, county, or municipality where condemnation of such animals shall take place, nor shall any payment be made hereunder as compensation for or on account of any such animal destroyed if at the time of inspection or test of such animal, or at the time of condemnation thereof, it shall belong to or be upon the premises of any person, firm, or corporation, to which it has been sold, shipped, or delivered for the purpose of being slaughtered: *Provided further*, That out of the money hereby appropriated no payment as compensation for any tuberculous animal destroyed shall exceed one-third of the difference between the appraised value of such animal and the value of the salvage thereof; that no payment hereunder shall exceed the amount paid or to be paid by the State, Territory, county, and municipality, where the animal shall be condemned; and that in no case shall any payment hereunder be more than \$25 for any grade animal or more than \$50 for any purebred animal, and no payment shall be made unless the owner has complied with all lawful quarantine regulations;

For all necessary expenses for the eradication of southern cattle ticks, \$660,000: *Provided*, That no part of this appropriation shall be used for the purchase of animals or in the purchase of materials for or in the construction of dipping vats upon land not owned solely by the United States, except at fairs or expositions where the Department of Agriculture makes exhibits or demonstrations; nor shall any part of this appropriation be used in the purchase of materials or mixtures for use in dipping vats except in experimental or demonstration work carried on by the officials or agents of the Bureau of Animal Industry;

For all necessary expenses for investigations and experiments in dairy industry, including repairs, alterations, improvements, and ad-

ditions to buildings absolutely necessary to carry on experiments, including the employment of labor in the city of Washington and elsewhere, cooperative investigations of the dairy industry in the various States, and inspection of renovated-butter factories, \$386,600;

For all necessary expenses for investigations and experiments in animal husbandry; for experiments in animal feeding and breeding, including cooperation with the State agricultural experiment stations, including repairs and additions to and erection of buildings absolutely necessary to carry on the experiments, including the employment of labor in the city of Washington and elsewhere, rent outside of the District of Columbia, and all other necessary expenses, \$295,440: *Provided*, That of the sum thus appropriated \$55,640 may be used for experiments in poultry feeding and breeding: *Provided further*, That of the sum thus appropriated \$8,000 is made available for the erection of necessary buildings at the United States sheep experiment station in Clark County, Idaho, to furnish facilities for the investigation of problems pertaining to the sheep and wool industry on the farms and ranges of the Western States: *Provided further*, That of the above appropriation not more than \$1,000 shall be used for the purpose of furnishing medals to be distributed by the Secretary of Agriculture to exhibitors showing champion and first-prize winners at the International Livestock Exposition to be held at Chicago, Illinois, in December, 1924, with the view of stimulating livestock production along purebred lines and to commemorate the twenty-fifth anniversary of this great international exposition;

For all necessary expenses for scientific investigations in diseases of animals, including the maintenance and improvement of the bureau experiment station at Bethesda, Maryland, and the necessary alterations of buildings thereon, and the necessary expenses for investigations of tuberculin, serums, antitoxins, and analogous products, \$118,000: *Provided*, That of said sum \$40,000 may be used for researches concerning the cause, modes of spread, and methods of treatment and prevention of the disease of contagious abortion of animals;

For investigating the disease of hog cholera, and for its control or eradication by such means as may be necessary, including demonstrations, the formation of organizations, and other methods, either independently or in cooperation with farmers' associations, State or county authorities, \$404,000: *Provided*, That of said sum \$195,000 shall be available for expenditure in carrying out the provisions of the Act approved March 4, 1913, regulating the preparation, sale, barter, exchange, or shipment of any virus, serum, toxin, or analogous product manufactured in the United States and the importation of such products intended for use in the treatment of domestic animals: *Provided further*, That of said sum \$25,000 shall be available for researches concerning the cause, modes of spread, and methods of treatment and prevention of this disease;

For all necessary expenses for the investigation, treatment, and eradication of dourine, \$40,240;

For general administrative work, including traveling expenses and salaries of employees engaged in such work, rent outside of the District of Columbia, office fixtures and supplies, express, freight, telegraph, telephone, and other necessary expenses, \$27,886;

In all, general expenses, \$5,782,766.

White pine blister
rust.
Eradication and con-
trol methods.

For applying such methods of eradication or control of the white-pine blister rust as in the judgment of the Secretary of Agriculture may be necessary, including the payment of such expenses and the employment of such persons and means in the city of Washington

and elsewhere, in cooperation with such authorities of the States concerned, organizations, or individuals as he may deem necessary to accomplish such purposes, and in the discretion of the Secretary of Agriculture no expenditures shall be made for these purposes until a sum or sums at least equal to such expenditures shall have been appropriated, subscribed, or contributed by States, county or local authorities, or by individuals or organizations for the accomplishment of such purposes, \$328,480: *Provided*, That no part of this appropriation shall be used to pay the cost or value of trees or other property injured or destroyed;

For the investigation of diseases of cotton, potatoes, truck crops, forage crops, drug and related plants, \$124,740;

For investigating the physiology of crop plants and for testing and breeding varieties thereof, \$68,120;

For soil-bacteriology and plant-nutrition investigations, including the testing of samples, procured in the open market, of cultures for inoculating legumes, and if any such samples are found to be impure, nonviable, or misbranded, the results of the tests may be published, together with the names of the manufacturers and of the persons by whom the cultures were offered for sale, \$52,510;

For soil-fertility investigations into organic causes of infertility and remedial measures, maintenance of productivity, properties, and composition of soil humus, and the transformation and formation of soil humus by soil organisms, \$48,600;

For acclimatization and adaptation investigations of cotton, corn, and other crops introduced from tropical regions, and for the improvement of cotton and other fiber plants by cultural methods, breeding, and selection, and for determining the feasibility of increasing the production of hard fibers outside of the continental United States, \$185,450: *Provided*, That not more than \$7,500 of this sum may be used for experiments in cottonseed interbreeding: *Provided further*, That of this sum \$50,000 may be used for explorations, research, and field experiments relating to potential rubber-producing plants;

For the investigation, testing, and improvement of plants yielding drugs, spices, poisons, oils, and related products and by-products and for general physiological and fermentation investigations, \$41,860;

For crop technological investigations, including the study of plant-infesting nematodes, \$49,000;

For studying and testing commercial seeds, including the testing of samples of seeds of grasses, clover, or alfalfa, and lawn-grass seeds secured in the open market, and where such samples are found to be adulterated or misbranded the results of the tests shall be published, together with the names of the persons by whom the seeds were offered for sale, and for carrying out the provisions of the Act approved August 24, 1912, entitled "An Act to regulate foreign commerce by prohibiting the admission into the United States of certain adulterated grain and seeds unfit for seeding purposes" (Thirty-seventh Statutes at Large, page 506), \$56,870: *Provided*, That not to exceed \$250 of this amount may be used for meeting the share of the United States in the expenses of the International Seed Testing Congress in carrying out plans for correlating the work of the various adhering governments on problems relating to seed analysis or other subjects which the congress may determine to be necessary in the interest of international seed trade;

For the investigation and improvement of cereals, including corn, and methods of cereal production, and for the study and control of cereal diseases, including barberry eradication, and for the investigation of the cultivation and breeding of flax for seed purposes, including a study of flax diseases, and for the investigation and im-

Care of fish and game.	products cut or removed from the national forests to be exported from the State or Territory in which said forests are respectively situated; to transport and care for fish and game supplied to stock the national forests or the waters therein; to employ agents, clerks, assistants, and other labor required in practical forestry and in the administration of national forests in the city of Washington and elsewhere; to collate, digest, report, and illustrate the results of experiments and investigations made by the Forest Service; to purchase necessary supplies, apparatus, office fixtures, law books, and technical books and technical journals for officers of the Forest Service stationed outside of Washington, and for medical supplies and services and other assistance necessary for the immediate relief of artisans, laborers, and other employees engaged in any hazardous work under the Forest Service; to pay freight, express, telephone, and telegraph charges; for electric light and power, fuel, gas, ice, and washing towels, and official traveling and other necessary expenses, including traveling expenses for legal and fiscal officers while performing Forest Service work; and for rent outside of the District of Columbia, as follows:
Station supplies and services.	For the employment of forest supervisors, deputy forest supervisors, forest rangers, forest guards, and administrative clerical assistants on the national forests, and for additional salaries and field-station expenses, including the maintenance of nurseries, collecting seed, and planting, necessary for the use, maintenance, improvement, and protection of the national forests and of additional national forests created or to be created under section 11 of the Act of March 1, 1911 (Thirty-sixth Statutes at Large, page 963), and lands under contract for purchase or for the acquisition of which condemnation proceedings have been instituted for the purposes of said act, and for necessary miscellaneous expenses incident to the general administration of the Forest Service and of the national forests:
Outside rent.	In national forest district one, Montana, Washington, Idaho, and South Dakota, \$580,014: <i>Provided</i> , That the Secretary of Agriculture is authorized to use not to exceed \$200 in caring for the graves of fire fighters buried at Wallace, Idaho, and Saint Maries, Idaho;
Forest supervisors, rangers, guards, etc.	In national forest district two, Colorado, Wyoming, South Dakota, Nebraska, Michigan, and Minnesota, \$242,602;
Vol. 36, p. 963.	In national forest district three, Arizona and New Mexico, \$252,-442;
District expenses allotted.	In national forest district four, Utah, Idaho, Wyoming, Nevada, Arizona, and Colorado, \$277,855;
<i>Proviso.</i> Care of graves of fire fighters.	In national forest district five, California and Nevada, \$413,875;
	In national forest district six, Washington, Oregon, and California, \$421,369;
	In national forest district seven, Arkansas, Alabama, Florida, Oklahoma, Georgia, South Carolina, North Carolina, Pennsylvania, Tennessee, Virginia, West Virginia, New Hampshire, Maine, Porto Rico, and Maryland, \$168,633;
	In national forest district eight, Alaska, \$60,200;
In the District.	In the District of Columbia, \$136,512;
Aggregate amount.	In all, for the use, maintenance, improvement, protection, and general administration of the national forests, \$2,553,502: <i>Provided</i> , That the foregoing amounts appropriated for such purposes shall be available interchangeably in the discretion of the Secretary of Agriculture for the necessary expenditures for fire protection and other unforeseen exigencies: <i>Provided further</i> , That the amount so interchanged shall not exceed in the aggregate 10 per centum of all the amounts so appropriated;
<i>Proviso.</i> Interchangeable allotments.	
Limit.	

For fighting and preventing forest fires on or threatening the national forests and for the establishment and maintenance of a patrol to prevent trespass and to guard against and check fires upon the lands revested in the United States by the Act approved June 9, 1916, and the lands known as the Coos Bay Wagon Road lands involved in the case of Southern Oregon Company against United States (numbered 2711), in the Circuit Court of Appeals of the Ninth Circuit, \$282,700, or so much thereof as may be necessary: *Provided*, That not to exceed \$25,000 of this amount may be used by the Secretary of Agriculture in meeting emergencies caused by forest insects on national forests, national parks, Indian reservations, or other lands under the ownership or control of the United States;

Fighting forest fires, etc.

Vol. 39, p. 218.

Revested Oregon-California railroad lands, etc.

Proviso.
Insect infestation.

Selecting lands for homestead entries, etc.

For the selection, classification, and segregation of lands within the boundaries of national forests that may be opened to homestead settlement and entry under the homestead laws applicable to the national forests; for the examination and appraisal of lands in effecting exchanges authorized by law and for the survey thereof by metes and bounds or otherwise, by employees of the Forest Service, under the direction of the Commissioner of the General Land Office; and for the survey and platting of certain lands, chiefly valuable for agriculture, now listed or to be listed within the national forests, under the Act of June 11, 1906 (Thirty-fourth Statutes, page 233), and the Act of March 3, 1899 (Thirtieth Statutes, page 1095), as provided by the Act of March 4, 1913, \$55,700;

Surveying, etc., agricultural lands.

Vol. 34, p. 233; Vol. 30, pp. 34, 1095; Vol. 37, p. 842.

For the construction of sanitary facilities and for fire preventive measures on public camp grounds within the national forests when necessary for the protection of the public health or the prevention of forest fires, \$25,000;

Public camp grounds, facilities, etc.

For the purchase and maintenance of necessary field, office, and laboratory supplies, instruments, and equipments, \$130,000;

Equipment, supplies, etc.

For investigations of methods for wood distillation and for the preservative treatment of timber, for timber testing, and the testing of such woods as may require test to ascertain if they be suitable for making paper, for investigations and tests within the United States of foreign woods of commercial importance to industries in the United States, and for other investigations and experiments to promote economy in the use of forest and fiber products, and for commercial demonstrations of improved methods or processes, in cooperation with individuals and companies, \$335,824: *Provided*, That \$15,000 of this amount shall be used for the investigation by the Forest Products Laboratory of the United States Department of Agriculture of flax straw as a source of supply for the manufacture of pulp and paper;

Investigating wood distillation, forest products, etc.

Proviso.
Flax straw for pulp manufacture.

For experiments and investigations of range conditions within the national forests or elsewhere on the public range, and of methods for improving the range by reseeding, regulation of grazing, and other means, \$36,020;

Range conditions and improvements.

For the purchase of tree seed, cones, and nursery stock, for seeding and tree planting within national forests, and for experiments and investigations necessary for such seeding and tree planting, \$125,640: *Provided*, That from the nurseries on the Nebraska National Forest the Secretary of Agriculture, under such rules and regulations as he may prescribe, may furnish young trees free, so far as they may be spared, to residents of the territory covered by "An Act increasing the area of homesteads in a portion of Nebraska," approved April 28, 1904;

Seeding, tree planting, etc.

Proviso.
Young trees to arid land residents in Nebraska.

Vol. 33, p. 547.

For silvicultural, dendrological, and other experiments and investigations, independently or in cooperation with other branches of the Federal Government, with States, and with individuals, to de-

Management of forest lands.

termine the best methods for the conservative management of forest and forest lands, \$187,420;

Appraising timber for sale, etc.

For estimating and appraising timber and other resources on the national forests preliminary to disposal by sale or to the issue of occupancy permits, and for emergency expenses incident to their sale or use, \$95,000;

Collating results, etc.

For other miscellaneous forest investigations and for collating, digesting, recording, illustrating, and distributing the results of the experiments and investigations herein provided for, \$33,800;

Permanent improvements.

For the construction and maintenance of roads, trails, bridges, fire lanes, telephone lines, cabins, fences, and other improvements necessary for the proper and economical administration, protection, and development of the national forests, \$420,000: *Provided*, That where, in the opinion of the Secretary of Agriculture, direct purchase will be more economical than construction, telephone lines, cabins, fences, and other improvements may be purchased: *Provided, further*, That not to exceed \$50,000 may be expended for the construction and maintenance of boundary and range division fences, counting corrals, stock driveways and bridges, the development of stock watering places, and the eradication of poisonous plants on the national forests;

Proviso.
Purchase of telephone lines, cabins, etc.

Division fences, stock driveways, etc.

In all, general expenses, \$4,280,606.

Conservation of navigable waters.
Vol. 36, p. 961.

To enable the Secretary of Agriculture more effectively to carry out the provisions of the Act of March 1, 1911 (Thirty-sixth Statutes, page 961), entitled "An Act to enable any State to cooperate with any other State or States, or with the United States, for the protection of watersheds of navigable streams, and to appoint a commission for the acquisition of lands for the purpose of conserving the navigability of navigable rivers," \$41,350 of the moneys appropriated therein, or for carrying out its purposes shall be available for the employment of agents, title attorneys, clerks, assistants, and other labor, and for the purchase of supplies and equipment required for the purpose of said Act in the city of Washington.

Total, Forest Service, \$6,781,489.

Expenses in Washington, D. C.

Chemistry Bureau.

BUREAU OF CHEMISTRY.

SALARIES.

Chief, and office personnel.

For chief of bureau and other personal services in the District of Columbia in accordance with the Classification Act of 1923 and for personal services in the field, \$340,000.

General expenses.

GENERAL EXPENSES, BUREAU OF CHEMISTRY.

Apparatus, supplies, employees, etc.

For all necessary expenses, for chemical apparatus, chemicals and supplies, repairs to apparatus, gas, electric current, official traveling expenses, telegraph and telephone service, express and freight charges, for the employment of such assistants, clerks, and other persons as the Secretary of Agriculture may consider necessary for the purposes named, in the city of Washington and elsewhere, in conducting investigations; collecting, reporting, and illustrating the results of such investigations; and for rent outside of the District of Columbia for carrying out the investigations and work herein authorized as follows:

General subjects.
Vol. 12, p. 387.

Biological food and drug investigations.

For conducting the investigations contemplated by the Act of May 15, 1862, relating to the application of chemistry to agriculture; for the biological investigation of food and drug products and substances used in the manufacture thereof, including investigations of the physiological effects of such products on the human organism, \$120,600;

For collaboration with other departments of the Government desiring chemical investigations and whose heads request the Secretary of Agriculture for such assistance, and for other miscellaneous work, \$14,090;

Collaboration with other departments.

For investigation and experiment in the utilization, for coloring, medicinal, and technical purposes, of raw materials grown or produced in the United States, in cooperation with such persons, associations, or corporations as may be found necessary, including repairs, alterations, improvements, or additions to a building on the Arlington Experimental Farm, \$55,805;

Utilizing raw materials for colorants, etc.

For the investigation and development of methods for the manufacture of table sirup and sugar and of methods for the manufacture of sweet sirups by the utilization of new agricultural sources, \$28,370;

Table sirup, etc.

For enabling the Secretary of Agriculture to carry into effect the provisions of the Act of June 30, 1906, entitled "An Act for preventing the manufacture, sale or transportation of adulterated, or misbranded, or poisonous, or deleterious foods, drugs, medicines, and liquors, and for regulating traffic therein, and for other purposes"; to cooperate with associations and scientific societies in the revision of the United States Pharmacopœia and development of methods of analysis, and for investigating the character of the chemical and physical tests which are applied to American food products in foreign countries, and for inspecting the same before shipment when desired by the shippers or owners of these products intended for countries where chemical and physical tests are required before the said products are allowed to be sold therein, \$716,260: *Provided*, That not more than \$4,280 shall be used for travel outside of the United States;

Pure food inspection. Vol. 34, p. 760.

Revision of Pharmacopœia. Examining foreign tests of American food products.

Proviso. Travel limit.

For enabling the Secretary of Agriculture to carry into effect the provisions of the Act approved March 2, 1897, entitled "An Act to prevent the importation of impure and unwholesome tea," as amended, including payment of compensation and expenses of the members of the board appointed under section 2 of the Act and all other necessary officers and employees, \$36,110;

Impure tea imports. Expenses, preventing, etc. Vol. 29, p. 604; Vol. 35, p. 163; Vol. 41, p. 712.

For the investigation and development of methods of manufacturing insecticides and fungicides, and for investigating chemical problems relating to the composition, action, and application of insecticides and fungicides, \$29,440;

Insecticides and fungicides. Investigating, etc.

For the investigation and development of methods for the prevention of grain-dust, smut-dust, and other plant-dust explosions and resulting fires, including fires in cotton gins and cotton-oil mills, \$26,555;

Plant dust explosions, etc. Methods for preventing.

For the investigation and demonstration of improved methods or processes of preparing naval stores, the weighing, handling, transportation, and uses of same, in cooperation with individuals and companies, including the employment of necessary persons and means in the city of Washington and elsewhere, and to enable the Secretary of Agriculture to carry into effect the provisions of the Naval Stores Act of March 3, 1923, \$20,000;

Naval stores. Investigations, demonstrations, etc.

Vol. 42, p. 1435.

In all, general expenses, \$1,047,230.

Total, Bureau of Chemistry, \$1,387,230.

BUREAU OF SOILS.

Soils Bureau.

SALARIES.

For chief of bureau and other personal services in the District of Columbia in accordance with the Classification Act of 1923 and for personal services in the field, \$90,000.

Chief, and office personnel.

General expenses.

GENERAL EXPENSES, BUREAU OF SOILS.

Investigations, experiments, etc.

For all necessary expenses connected with the investigations and experiments hereinafter authorized, including the employment of investigators, local and special agents, assistants, experts, clerks, draftsmen, and labor in the city of Washington and elsewhere; official traveling expenses, materials, tools, instruments, apparatus, repairs to apparatus, chemicals, furniture, office fixtures, stationery, gas, electric current, telegraph and telephone service, express and freight charges, rent outside the District of Columbia, and for all other necessary supplies and expenses, as follows:

Chemical investigations of soils, etc.

For chemical investigations of soil types, soil composition, and soil minerals, the soil solution, solubility of soil and all chemical properties of soils in their relation to soil formation, soil texture and soil productivity, including all routine chemical work in connection with the soil survey, \$25,640;

Physical productivity, etc., investigations.

For physical investigations of the important properties of soil which determine productivity, such as moisture relations, aerations, heat conductivity, texture, and other physical investigations of the various soil classes and soil types, \$13,145;

Fertilizers.

For investigation within the United States of fertilizers and other soil amendments and their suitability for agricultural use, \$63,595;

Cooperative soil mapping.

For the investigation of soils, in cooperation with other branches of the Department of Agriculture, other departments of the Government, State agricultural experiment stations, and other State institutions, and for indicating upon maps and plats, by coloring or otherwise, the results of such investigations, \$179,710;

Classification of Agricultural lands.

For examination of soils to aid in the classification of agricultural lands, in cooperation with other bureaus of the department and other departments of the Government, \$15,510;

Administrative expenses.

For general administrative expenses connected with the above-mentioned lines of investigation, \$4,000;

In all, general expenses, \$301,600.

Total, Bureau of Soils, \$391,600.

Entomology Bureau.

BUREAU OF ENTOMOLOGY.

SALARIES.

Chief, and office personnel.

For chief of bureau and other personal services in the District of Columbia in accordance with the Classification Act of 1923 and for personal services in the field, \$137,728.

General expenses.

GENERAL EXPENSES, BUREAU OF ENTOMOLOGY.

Investigations, etc., of insects, etc.

For the promotion of economic entomology; for investigating the history and the habits of insects injurious and beneficial to agriculture, horticulture, arboriculture, and the study of insects affecting the health of man and domestic animals, and ascertaining the best means of destroying those found to be injurious; for collating, digesting, reporting, and illustrating the results of such investigations; for salaries and the employment of labor in the city of Washington and elsewhere, rent outside of the District of Columbia, freight, express charges, official traveling expenses, office fixtures, supplies, apparatus, telegraph and telephone service, gas, and electric current, in connection with the following investigations:

Specific subjects.

Fruits, orchards, etc.

For investigations of insects affecting deciduous fruits, orchards, vineyards, and nuts, including, when necessary, cooperation with the Federal Horticultural Board in establishing, maintaining, and enforcing quarantines promulgated under the plant quarantine Act of August 20, 1912, as amended, \$320,000;

Quarantine enforcement.
Vol. 37, p. 315.

For investigations of insects affecting cereal and forage crops, including a special investigation of the Hessian fly, grasshopper, alfalfa weevil, and the chinch bug, \$176,400;

Cereal and forage crops.

For investigations of insects affecting southern field crops, including insects affecting cotton, tobacco, rice, sugar cane, and so forth, and the cigarette beetle and Argentine ant, \$231,920;

Southern field crops.

For investigations of insects affecting forests, \$57,100: *Provided*, That \$15,000 shall be used for preventing and combating infestations of insects injurious to forest trees on and near the national forests, independently or in cooperation with other branches of the Federal Government, with States, counties, municipalities, or with private owners;

Forests.
Provido.
Combating infestation of national forests, etc.

For investigations of insects affecting truck crops, including insects and wireworms affecting the potato, sugar beet, cabbage, onion, tomato, beans, peas, and so forth, and insects affecting stored products, \$157,000;

Truck crops, etc.

For investigations and demonstrations in bee culture, \$32,320;

Bee culture.

For investigations of insects affecting citrus and other tropical and subtropical plants, and for investigations and control of the Mediterranean and other fruit flies, in cooperation with the Federal Horticultural Board, \$68,055;

Tropical and subtropical plants.

For investigations, identification, and systematic classification of miscellaneous insects, including the study of insects affecting the health of man and domestic animals, household insects, and the importation and exchange of useful insects, \$64,630;

Miscellaneous insects affecting health of man, etc.

For general administrative expenses connected with above lines of investigation, and for miscellaneous expenses incident thereto, \$3,880;

Administrative expenses.

In all, general expenses, \$1,111,305.

PREVENTING SPREAD OF MOTHS.

Gypsy and brown-tail moths.

To enable the Secretary of Agriculture to meet the emergency caused by the continued spread of the gypsy and brown-tail moths by conducting such experiments as may be necessary to determine the best methods of controlling these insects; by introducing and establishing the parasites and natural enemies of these insects and colonizing them within the infested territory; by establishing and maintaining a quarantine against further spread in such a manner as is provided by the general nursery-stock law, approved August 20, 1912, as amended, entitled "An Act to regulate the importation of nursery stock and other plants and plant products, to enable the Secretary of Agriculture to establish and maintain quarantine districts for plant diseases and insect pests, to permit and regulate the movements of fruits, plants, and vegetables therefrom, and for other purposes," in cooperation with the authorities of the different States concerned and with the several State experiment stations, including rent outside of the District of Columbia, the employment of labor in the city of Washington and elsewhere, and all other necessary expenses, \$572,360.

Emergency appropriation for controlling.

Cooperative quarantine maintenance.

Vol. 37, pp. 315, 854.

PREVENTION OF SPREAD OF EUROPEAN CORN BORER.

European corn borer.

To enable the Secretary of Agriculture to meet the emergency caused by the spread of the European corn borer, and to provide means for the investigation, control, and prevention of spread of this insect throughout the United States, in cooperation with the States concerned, including, when necessary, cooperation with the Federal Horticultural Board in establishing, maintaining, and enforcing quarantines promulgated under the plant quarantine Act of August 20, 1912, as amended, including the employment of persons and

Emergency appropriation for preventing spread of, etc.

Quarantines.
Vol. 37, pp. 315, 854.

Proviso.
Local, etc., contribu-
tions required.

means in the city of Washington and elsewhere, and all other necessary expenses, \$216,350: *Provided*, That in the discretion of the Secretary of Agriculture \$100,000 of this amount shall be available for expenditure only when an equal amount shall have been appropriated, subscribed, or contributed by States, counties, or local authorities, or by individuals or organizations, for the accomplishment of such purposes.

Mexican bean beetle.

CONTROL AND PREVENTION OF SPREAD OF THE MEXICAN BEAN BEETLE.

Emergency expenses
for preventing spread
of.

To enable the Secretary of Agriculture to meet the emergency caused by the recent introduction and rapid multiplication of the Mexican bean beetle in the State of Alabama, and other States, and to provide means for the study, experimentation in eradication, and for the control and prevention of the spread of this insect in that State and to other States, in cooperation with the State of Alabama and other States concerned and with individuals affected, including the employment of persons and means in the city of Washington and elsewhere, and all other necessary expenses, \$28,105.

Total, Bureau of Entomology, \$2,065,848.

Biological Survey
Bureau.

BUREAU OF BIOLOGICAL SURVEY.

SALARIES.

Chief, and office per-
sonnel.

For chief of bureau and other personal services in the District of Columbia in accordance with the Classification Act of 1923 and for personal services in the field, \$106,340.

General expenses.

GENERAL EXPENSES, BUREAU OF BIOLOGICAL SURVEY.

Employees, supplies,
etc.

For salaries and employment of labor in the city of Washington and elsewhere, furniture, supplies, including the purchase of bags, tags, and labels printed in the course of manufacture, traveling and all other expenses necessary in conducting investigations and carrying out the work of the bureau, as follows:

Reservations for
game.

For the maintenance of the Montana National Bison Range and other reservations and for the maintenance of game introduced into suitable localities on public lands, under supervision of the Biological Survey, including construction of fencing, wardens' quarters, shelters for animals, landings, roads, trails, bridges, ditches, telephone lines, rockwork, bulkheads, and other improvements necessary for the economical administration and protection of the reservations, and for the enforcement of section 84 of the Act approved March 4, 1909, entitled "An Act to codify, revise, and amend the penal laws of the United States." \$43,435, of which sum \$2,500 may be used for the purchase, capture, and transportation of game for national reservations;

Protecting bird pre-
serves.
Vol. 35, p 1104.

North American
birds and animals.
Food habits investi-
gation.

For investigating the food habits of North American birds and other animals in relation to agriculture, horticulture, and forestry; for investigations, experiments, and demonstrations in connection with rearing fur-bearing animals; for experiments, demonstrations, and cooperation in destroying mountain lions, wolves, coyotes, bobcats, prairie dogs, gophers, ground squirrels, jack rabbits, and other animals injurious to agriculture, horticulture, forestry, animal husbandry, and wild game; and for the protection of stock and other domestic animals through the suppression of rabies in predatory wild animals, \$508,880;

Destroying animals
injurious to agriculture.

Suppressing rabies.

Biological investiga-
tions.

For biological investigations, including the relations, habits, geographic distribution, and migration of animals and plants, and the preparation of maps of the life zones, \$28,475;

For all necessary expenses for enforcing the provisions of the Migratory Bird Treaty Act of July 3, 1918 (Fortieth Statutes at Large, page 755), and for cooperation with local authorities in the protection of migratory birds, and for necessary investigations connected therewith, \$136,565: *Provided*, That of this sum not more than \$20,500 may be used for the enforcement of sections 241, 242, 243, and 244 of the Act approved March 4, 1909, entitled "An Act to codify, revise, and amend the penal laws of the United States," and for the enforcement of section 1 of the Act approved May 25, 1900, entitled "An Act to enlarge the powers of the Department of Agriculture, prohibit the transportation by interstate commerce of game killed in violation of local laws, and for other purposes," including all necessary investigations in connection therewith;

Migratory bird protection.
Vol. 40, p. 755.

Proviso.
Prohibiting shipment of prohibited birds, etc.
Vol. 35, pp. 1135-1138.

Carrying illegally killed game.
Vol. 31, p. 187.

Reindeer in Alaska.
Improving industry, etc.

Vol. 36, p. 327.

Administrative expenses.

For investigations, experiments, and demonstrations for the welfare, improvement, and increase of the reindeer industry in Alaska, including the erection of necessary buildings and other structures and cooperation with the Bureau of Education, and for the enforcement of section 1956 of the Revised Statutes as amended so far as it relates to the protection of land fur-bearing animals in Alaska, including necessary investigations in connection therewith, \$57,335;

For general administrative expenses connected with the above-mentioned lines of work, including cooperation with other Federal bureaus, departments, boards, and commissions, on request from them, \$11,460;

In all, general expenses, \$786,150.

Total, Bureau of Biological Survey, \$892,490.

DIVISION OF ACCOUNTS AND DISBURSEMENTS.

Accounts and disbursements division.

Chief, and office personnel.

Salaries: For chief of division and other personal services in the District of Columbia in accordance with the Classification Act of 1923, \$74,440.

LIBRARY, DEPARTMENT OF AGRICULTURE.

Library.

Librarian, and personnel.

General expenses.

Salaries: For librarian and other personal services in the District of Columbia in accordance with the Classification Act of 1923, \$40,000.

General expenses, Library: For books of reference, law books, technical and scientific books, newspapers and periodicals, and for expenses incurred in completing imperfect series; for the employment of additional assistants in the city of Washington and elsewhere; for official traveling expenses, and for library fixtures, library cards, supplies, and for all other necessary expenses, \$30,960.

Total, Library, \$70,960.

BUREAU OF PUBLIC ROADS.

Public Roads Bureau.

SALARIES.

Chief, and office and field personnel.

For chief of bureau and other personal services in the District of Columbia in accordance with the Classification Act of 1923 and for personal services in the field, \$123,740.

General expenses.

GENERAL EXPENSES, BUREAU OF PUBLIC ROADS.

Employees, supplies, publishing bulletins, etc.

For salaries and the employment of labor in the city of Washington and elsewhere, supplies, office fixtures, apparatus, traveling and all other necessary expenses, for conducting investigations and experiments, and for collating, reporting, and illustrating the results

Proviso.

Reimbursement.

Administrative ex-
penses.

of same, and for preparing, publishing, and distributing bulletins and reports, as follows: *Provided*, That no part of these appropriations shall be expended for the rent or purchase of road-making machinery, except such as may be necessary for field experimental work as hereinafter provided for;

For inquiries in regard to systems of road management and economic studies of highway construction, operation, maintenance, and value, either independently or in cooperation with the State highway departments and other agencies, and for giving expert advice on these subjects, \$65,850;

For investigations of the best methods of road making, especially by the use of local materials; for studying the types of mechanical plants and appliances used for road building and maintenance; for studying methods of road repair and maintenance suited to the needs of different localities; and for furnishing expert advice on these subjects, \$73,700;

For maintenance and repairs of experimental highways, including the purchase of materials and equipment; for the employment of assistants and labor, \$15,000;

For investigating and reporting upon the utilization of water in farm irrigation, including the best methods to apply in practice; the different kinds of power and appliances; the flow of water in ditches, pipes, and other conduits; the duty, apportionment, and measurement of irrigation water, the customs, regulations, and laws affecting irrigation; for investigating and reporting upon farm drainage and upon the drainage of swamp and other wet lands which may be made available for agricultural purposes; for preparing plans for the removal of surplus water by drainage; for the development of equipment for farm irrigation and drainage and for giving expert advice and assistance; for field experiments and investigations and the purchase and installation of equipment for experimental purposes; for the preparation and illustration of reports and bulletins; for the employment of assistants and labor in the city of Washington and elsewhere; for rent outside the District of Columbia; and for supplies and all necessary expenses, \$145,650;

For investigating farm domestic water supply and drainage disposal, the construction of farm buildings, and other rural engineering problems involving mechanical principles, including the erection of such structures outside of the District of Columbia as may be necessary for experimental purposes only, the employment of labor in the city of Washington and elsewhere, supplies, and all other necessary expenses, \$35,300;

The Secretary of Agriculture is authorized to expend not to exceed \$15,000 of the administrative fund provided by the Federal Aid Road Act of July 11, 1916, as amended, for supervising the preparation, distribution, and use of picric acid, trinitrotoluol, trojan powder, and such other surplus war explosives as may be made available for use in clearing stumps and stones from agricultural land, independently or in cooperation with agricultural colleges and other agencies, and for investigating and reporting upon the results obtained from the use of the explosives: *Provided*, That expenditures hereunder shall be reimbursed to the administrative fund by charge to other Federal activities, agricultural colleges, or other agencies to which the explosives are distributed;

For general administrative expenses connected with the above-mentioned lines of investigations and experiments, \$14,935;

In all, general expenses, \$350,435.

Total, Bureau of Public Roads, \$474,175.

BUREAU OF AGRICULTURAL ECONOMICS.

Agricultural Economics Bureau. Eco-

SALARIES.

For chief of bureau and other personal services in the District of Columbia, in accordance with the Classification Act of 1923, and for personal services in the field, \$1,100,073.

Chief, and office and field personnel.

GENERAL EXPENSES, BUREAU OF AGRICULTURAL ECONOMICS.

General expenses.

For salaries and the employment of labor in the city of Washington and elsewhere, furniture, supplies, traveling expenses, rent outside of the District of Columbia, and all other expenses necessary in conducting investigations, experiments, and demonstrations, as follows:

Employees, supplies, etc.

For general administrative expenses in connection with the lines of investigation, experiment, and demonstration conducted in the Bureau of Agricultural Economics, \$37,933;

Administrative expenses.

To investigate and encourage the adoption of improved methods of farm management and farm practice, \$275,000: *Provided*, That of this amount \$150,000 may be used in ascertaining the cost of production of the principal staple agricultural products;

Farm management and practice.
Proviso.
Cost of production.

For acquiring and diffusing among the people of the United States useful information on subjects connected with the marketing, handling, utilization, grading, transportation, and distributing of farm and nonmanufactured food products and the purchasing of farm supplies, including the demonstration and promotion of the use of uniform standards of classification of American farm products throughout the world, independently and in cooperation with other branches of the department, State agencies, purchasing and consuming organizations, and persons engaged in the marketing, handling, utilization, grading, transportation, and distributing of farm and food products, and for investigation of the economic costs of retail marketing of meat and meat products, \$549,628;

Distributing information of farm products, marketing, etc.

Promoting standards of classification.

For collecting, compiling, abstracting, analyzing, summarizing, interpreting, and publishing data relating to agriculture, including crop and livestock estimates, acreage, yield, grades, stock, and value of farm crops, and numbers, grades, and value of livestock and livestock products on farms, in cooperation with the Extension Service and other Federal, State, and local agencies, \$409,960: *Provided*, That \$65,000 shall be available for collecting and disseminating to American producers, importers, exporters, and other interested persons information relative to the world supply of and need for American agricultural products, marketing methods, conditions, prices, and other factors, a knowledge of which is necessary to the advantageous disposition of such products in foreign countries, independently and in cooperation with other branches of the Government, State agencies, purchasing and consuming organizations, and persons engaged in the transportation, marketing, and distribution of farm and food products, including the purchase of such books and periodicals as may be necessary in connection with this work: *Provided further*, That no part of the funds herein appropriated shall be available for any expense incident to ascertaining, collating, or publishing a report stating the intentions of farmers as to the acreage to be planted in cotton;

General agricultural and livestock information.
Collecting, publishing, etc., designated data.*Proviso.*
Disseminating information of world supply and needed American products, etc.

Cooperation with other agencies.

Not available for intended cotton acreage planting.

For enabling the Secretary of Agriculture to investigate and certify to shippers and other interested parties the class, quality, and/or condition of cotton and fruits, vegetables, poultry, butter, hay, and other perishable farm products when offered for interstate shipment or when received at such important central markets as the

Perishable farm products.
Certifying condition of shipments, etc., of central markets.

Secretary of Agriculture may from time to time designate, or at points which may be conveniently reached therefrom, under such rules and regulations as he may prescribe, including payment of such fees as will be reasonable and as nearly as may be to cover the cost for the service rendered: *Provided*, That certificates issued by the authorized agents of the departments shall be received in all courts of the United States as prima facie evidence of the truth of the statements therein contained, \$333,000, of which \$5,000 shall be immediately available;

Proviso.
Legal effect of certificates.

Livestock, dairy, agricultural, etc., products.

Collecting, distributing, etc., information of market conditions of designated.

For collecting, publishing, and distributing, by telegraph, mail, or otherwise, timely information on the market supply and demand, commercial movement, location, disposition, quality, condition, and market prices of livestock, meats, fish, and animal products, dairy and poultry products, fruits and vegetables, peanuts and their products, grain, hay, feeds, and seeds, and other agricultural products, independently and in cooperation with other branches of the Government, State agencies, purchasing and consuming organizations, and persons engaged in the production, transportation, marketing, and distribution of farm and food products, \$682,480;

In all, general expenses, \$2,228,001.

Cotton Futures and Cotton Standards Acts.

ENFORCEMENT OF THE UNITED STATES COTTON FUTURES ACT AND UNITED STATES COTTON STANDARDS ACT.

Enforcement expenses.

Vol. 39, p. 476; Vol. 40, p. 1351; Vol. 42, p. 1517.

To enable the Secretary of Agriculture to carry into effect the provisions of the United States Cotton Futures Act, as amended March 4, 1919, and to carry into effect the provisions of the United States Cotton Standards Act, approved March 4, 1923, including all expenses necessary for the purchase of equipment and supplies; for travel; for the employment of persons in the city of Washington and elsewhere; and for all other expenses, including rent outside of the District of Columbia, that may be necessary in executing the provisions of these Acts, \$185,000: *Provided*, That any moneys received from or in connection with the sale of cotton purchased for the preparation of practical forms of the official cotton standards and condemned as unsuitable for such use may be expended by the Secretary of Agriculture during the fiscal year ending June 30, 1925, for the purchase of other cotton for such use.

Proviso.
Reuse of money from sales of unsuitable purchased cotton.

Grain Standards Act.

ENFORCEMENT OF THE UNITED STATES GRAIN STANDARDS ACT.

Enforcement expenses.

Vol. 39, p. 482.

To enable the Secretary of Agriculture to carry into effect the provisions of the United States Grain Standards Act, including rent outside of the District of Columbia and the employment of such persons and means as the Secretary of Agriculture may deem necessary, in the city of Washington and elsewhere, \$550,000.

Warehouse Act.

ADMINISTRATION OF THE UNITED STATES WAREHOUSE ACT.

Administration expenses.

Vol. 39, p. 486; Vol. 42, p. 1282.

To enable the Secretary of Agriculture to carry into effect the provisions of the United States Warehouse Act, including the payment of such rent outside of the District of Columbia and the employment of such persons and means as the Secretary of Agriculture may deem necessary, in the city of Washington and elsewhere, \$186,500.

Standard Container Act.

ENFORCEMENT OF THE STANDARD CONTAINER ACT.

Enforcement expenses.

Vol. 39, p. 673.

To enable the Secretary of Agriculture to carry into effect the Act entitled "An Act to fix standards for Climax baskets for grapes and

other fruits and vegetables, and to fix standards for baskets and other containers for small fruits, berries, and vegetables, and for other purposes," approved August 31, 1916, including the employment of such persons and means as the Secretary of Agriculture may deem necessary in the city of Washington and elsewhere, \$5,000.

COMPLETION OF WOOL WORK.

Wool clip of 1918.

To enable the Bureau of Agricultural Economics to complete the work of the Domestic Wool Section of the War Industries Board and to enforce Government regulations for handling the wool clip of 1918 as established by the Wool Division of said board, pursuant to the Executive order dated December 31, 1918, transferring such work to the said bureau, \$11,290, and to continue, as far as practicable, the distribution among the growers of the wool clip of 1918 of all sums heretofore or hereafter collected or recovered with or without suit by the Government from all persons, firms, or corporations which handled any part of the wool clip of 1918.

Completing distribution of moneys collected among owners.

Total, Bureau of Agricultural Economics, \$4,325,864.

BUREAU OF HOME ECONOMICS.

Home Economics Bureau.

SALARIES.

For chief of bureau and other personal services in the District of Columbia in accordance with the Classification Act of 1923, \$27,244.

Chief, and office personnel.

GENERAL EXPENSES, BUREAU OF HOME ECONOMICS.

General expenses.

To enable the Secretary of Agriculture to investigate the relative utility and economy of agricultural products for food, clothing, and other uses in the home, with special suggestions of plans and methods for the more effective utilization of such products for these purposes, and to disseminate useful information on this subject, including the employment of labor in the city of Washington and elsewhere, supplies, and all other necessary expenses, \$79,780.

Utilizing farm products in the home, etc.

Employment of labor.

Total, Bureau of Home Economics, \$107,024.

ENFORCEMENT OF THE INSECTICIDE ACT.

Insecticide Act.

SALARIES.

For executive officer and other personal services in the District of Columbia in accordance with the Classification Act of 1923 and personal services in the field, \$35,840.

Executive officer, office and field personnel.

GENERAL EXPENSES, ENFORCEMENT OF THE INSECTICIDE ACT.

General expenses.

For salaries and the employment of labor in the city of Washington and elsewhere, furniture, supplies, traveling expenses, rent outside of the District of Columbia, and for all necessary expenses, as follows:

Employees, supplies, etc.

To enable the Secretary of Agriculture to carry into effect the provisions of the Act of April 26, 1910, entitled "An Act for preventing the manufacture, sale, or transportation of adulterated or misbranded Paris greens, lead arsenates, other insecticides, and also fungicides, and for regulating traffic therein, and for other purposes," \$140,575.

Preventing sale, etc., of adulterated insecticides and fungicides. Vol. 36, p. 331.

Total, enforcement of the Insecticide Act, \$176,415.

Horticultural Board.

FEDERAL HORTICULTURAL BOARD.

SALARIES.

Secretary, and office
and field personnel.

For secretary of the board and other personal services in the District of Columbia in accordance with the Classification Act of 1923 and personal services in the field, \$57,380.

General expenses.

GENERAL EXPENSES, FEDERAL HORTICULTURAL BOARD.

Employees, supplies,
etc.

For salaries and the employment of labor in the city of Washington and elsewhere, furniture, supplies, traveling expenses, rent outside of the District of Columbia, and for all other necessary expenses, as follows:

Enforcing nursery
plant quarantine, etc.
Vol. 37, pp. 315, 850.

To enable the Secretary of Agriculture to carry into effect the provisions of the Act of August 20, 1912, as amended, entitled "An Act to regulate the importation of nursery stock and other plants and plant products; to enable the Secretary of Agriculture to establish and maintain quarantine districts for plant diseases and insect pests; to permit and regulate the movement of fruits, plants, and vegetables therefrom, and for other purposes"; to prevent the movement of cotton and cotton seed from Mexico into the United States, including the regulation of the entry into the United States of railway cars and other vehicles, and freight, express, baggage, or other materials from Mexico, and the inspection, cleaning, and disinfection thereof: *Provided*, That any moneys received in payment of charges fixed by the Secretary of Agriculture on account of such cleaning and disinfection at plants constructed therefor out of any appropriation made on account of the pink bollworm of cotton shall be covered into the Treasury as miscellaneous receipts, \$324,426;

Preventing entry of
Mexican cotton and
cottonseed.

Proviso.
Receipts for cleaning,
etc., to be deposited.

To enable the Secretary of Agriculture to meet the emergency caused by the establishment of the potato wart in eastern Pennsylvania, and to provide means for the extermination of this disease in Pennsylvania, or elsewhere in the United States, in cooperation with the State or States concerned, including rent outside the District of Columbia, employment of labor in the city of Washington or elsewhere, and all other necessary expenses, \$5,110;

Potato wart.
Emergency expenses,
exterminating, etc.

In all, general expenses, \$329,536.

Total, Federal Horticultural Board, \$386,916.

Interchange of appro-
priations.

INTERCHANGE OF APPROPRIATIONS.

Allowed of miscel-
laneous expenses of
bureaus, etc.

Not to exceed 10 per centum of the foregoing amounts for the miscellaneous expenses of the work of any bureau, division, or office herein provided for shall be available interchangeably for expenditures on the objects included within the general expenses of such bureau, division, or office, but no more than 10 per centum shall be added to any one item of appropriation except in cases of extraordinary emergency, and then only upon the written order of the Secretary of Agriculture.

Miscellaneous.

MISCELLANEOUS ITEMS.

Reclamation proj-
ects.

DEMONSTRATIONS ON RECLAMATION PROJECTS.

Demonstrations,
etc., to aid agricultural
development of.

To enable the Secretary of Agriculture to encourage and aid in the agricultural development of the Government reclamation projects; to assist, through demonstrations, advice, and in other ways, settlers on the projects; and for the employment of persons and means necessary in the city of Washington and elsewhere, \$36,460.

COOPERATIVE FIRE PROTECTION OF FORESTED WATERSHEDS OF NAVIGABLE STREAMS.

Conservation of navigable streams.

For cooperation with any State or group of States in the protection from fire of the forested watersheds of navigable streams under the provisions of section 2 of the Act of March 1, 1911, entitled "An Act to enable any State to cooperate with any other State or States, or with the United States, for the protection of the watersheds of navigable streams, and to appoint a commission for the acquisition of lands for the purpose of conserving the navigability of navigable rivers," \$400,380.

Cooperation with States for fire protection of watersheds.
Vol. 36, p. 961.
Post, p. 653.

ACQUISITION OF ADDITIONAL FOREST LANDS.

Additional forest lands.

For the acquisition of additional lands at headwaters of navigable streams, to be expended under the provisions of the Act of March 1, 1911 (Thirty-sixth Statutes at Large, page 961), as amended, \$800,000.

Acquiring, under Conservation Act.
Vol. 36, p. 961.
Post, p. 654.

EXPERIMENTS AND DEMONSTRATIONS IN LIVESTOCK PRODUCTION IN THE CANE-SUGAR AND COTTON DISTRICTS OF THE UNITED STATES.

Cane sugar and cotton districts.

To enable the Secretary of Agriculture, in cooperation with the authorities of the States concerned, or with individuals, to make such investigations and demonstrations as may be necessary in connection with the development of livestock production in the cane-sugar and cotton districts of the United States, \$43,970.

Cooperative experiments, etc., in livestock production in.

FIELD STATION, WOODWARD, OKLAHOMA.

Woodward, Okla.

For the maintenance in connection with the Woodward, Oklahoma, Field Station of a livestock department, through which experiments and demonstrations in livestock breeding, growing, and feeding, including both beef and dairy animals, may be made, \$12,000.

Livestock department in field station at. Maintenance, etc.
Post, p. 1326.

EXPERIMENTS IN DAIRYING AND LIVESTOCK PRODUCTION IN SEMIARID AND IRRIGATED DISTRICTS OF THE WESTERN UNITED STATES.

Western irrigated lands.

To enable the Secretary of Agriculture to conduct investigations and experiments in problems connected with the establishment of dairying and meat-production enterprises on the semiarid and irrigated lands of the western United States, including the purchase of livestock and the employment of necessary persons and means in the city of Washington and elsewhere, \$38,230.

Dairying and meat production experiments in.
Ante, p. 243.

PASSENGER-CARRYING VEHICLES.

Passenger vehicles.

That not to exceed \$130,000 of the lump-sum appropriations herein made for the Department of Agriculture shall be available for the purchase, maintenance, repair, and operation of motor-propelled and horse-drawn passenger-carrying vehicles necessary in the conduct of the field work of the Department of Agriculture outside the District of Columbia: *Provided*, That not to exceed \$35,000 of this amount shall be expended for the purchase of such vehicles, and that such vehicles shall be used only for official service outside the District of Columbia, but this shall not prevent the continued use for official service of motor trucks in the District of Columbia: *Provided further*, That the Secretary of Agriculture is authorized to purchase, from the funds provided for carrying out the provisions of the Federal Highway Act of November 9, 1921 (Forty-second Statutes

Allowance for, in lump-sum appropriations.

Cooperation with Mexico in exterminating, etc.

Investigating for control.

Surveys, inspection, etc., in United States.

at Large, page 212), not to exceed \$25,000, motor-propelled passenger carrying vehicles to replace such vehicles transferred under authority of the Acts of February 28, 1919 (Fortieth Statutes at Large, page 1201), March 15, 1920 (Forty-first Statutes at Large, page 530), and November 9, 1921 (Forty-second Statutes at Large, page 212), from the War Department and retained and used by the Secretary of Agriculture in the construction and maintenance of national forest roads or other roads constructed under his direct supervision which are or may become unserviceable: *Provided further*, That the Secretary of Agriculture shall, on the first day of each regular session of Congress, make a report to Congress showing the amount expended under the provisions of this paragraph during the preceding fiscal year: *Provided further*, That the Secretary of Agriculture may exchange motor-propelled and horse-drawn vehicles, and boats, and parts, accessories, tires, or equipment thereof, in whole or in part payment for vehicles, or boats, or parts, accessories, tires, or equipment of such vehicles, or boats, purchased by him.

ERADICATION OF FOOT-AND-MOUTH AND OTHER CONTAGIOUS DISEASES OF ANIMALS.

In case of an emergency arising out of the existence of foot-and-mouth disease, rinderpest, contagious pleuropneumonia, or other contagious or infectious disease of animals which, in the opinion of the Secretary of Agriculture, threatens the livestock industry of the country, he may expend in the city of Washington or elsewhere, out of any money in the Treasury not otherwise appropriated, the sum of \$4,000, which sum is hereby appropriated, or so much thereof as he determines to be necessary, in the arrest and eradication of any such disease, including the payment of claims growing out of past and future purchases and destruction, in cooperation with the States, of animals affected by or exposed to, or of materials contaminated by or exposed to, any such disease, wherever found and irrespective of ownership, under like or substantially similar circumstances, when such owner has complied with all lawful quarantine regulations: *Provided*, That the payment for animals hereafter purchased may be made on appraisement based on the meat, dairy, or breeding value, but in case of appraisement based on breeding value no appraisement of any animal shall exceed three times its meat or dairy value, and except in case of an extraordinary emergency to be determined by the Secretary of Agriculture, the payment by the United States Government for any animal shall not exceed one-half of any such appraisements.

ERADICATION OF PINK BOLLWORM.

To enable the Secretary of Agriculture to meet the emergency caused by the existence of the pink bollworm of cotton in Mexico, and to prevent the establishment of such insect in the United States by the employment of all means necessary, including rent outside of the District of Columbia and the employment of persons and means in the city of Washington and elsewhere, \$381,910, as follows:

To make surveys to determine the actual distribution of the pink bollworm in Mexico and to exterminate local infestations in Mexico near the border of the United States, in cooperation with the Mexican Government or local Mexican authorities, \$8,860;

To investigate in Mexico or elsewhere the pink bollworm as a basis for control measures, \$5,000;

To conduct surveys and inspections in Texas or in any other State to detect any infestation and to conduct such control measures, in-

cluding the establishment of cotton-free areas, in cooperation with the State of Texas or other States concerned, as may be necessary to stamp out such infestation, to establish in cooperation with the States concerned a zone or zones free from cotton culture on or near the border of any State or States adjacent to Mexico, and to cooperate with the Mexican Government or local Mexican authorities, or otherwise, by undertaking in Mexico such measures for the extermination of the pink bollworm of cotton as shall be determined to be practicable from surveys showing its distribution, \$368,050, of which sum not to exceed \$200,000 may be available for reimbursement to cotton-growing States, for expenses incurred by them in connection with losses due to enforced nonproduction of cotton in certain zones in the manner and upon the terms and conditions set forth in Senate Joint Resolution Numbered 72, approved August 9, 1921: *Provided*, That no part of the money herein appropriated shall be used to pay the cost or value of crops or other property injured or destroyed.

Cooperation with Mexican authorities for extermination.

Nonproduction reimbursement.

Vol. 42, p. 158.

No pay for crops, etc., destroyed.

ERADICATION OF THE PARLATORIA DATE SCALE.

Parlatoria date scale.

To enable the Secretary of Agriculture to meet the emergency caused by the existence of the Parlatoria date scale in California, Arizona, or any other State, and to provide means for the extermination of this insect in California, Arizona, or elsewhere in the United States, in cooperation with the States concerned, \$19,440.

Emergency expenses for exterminating.

MILEAGE RATES FOR MOTOR VEHICLES.

Travel expenses.

Whenever, during the fiscal year ending June 30, 1925, the Secretary of Agriculture shall find that the expenses of travel, including travel at official stations, can be reduced thereby, he may, in lieu of actual operating expenses, under such regulations as he may prescribe, authorize the payment of not to exceed 3 cents per mile for motor cycle or 7 cents per mile for an automobile, used for necessary travel on official business.

Allowance for, by motor vehicles.

CENTER MARKET, DISTRICT OF COLUMBIA.

Center Market, D.C.

Operation and Management: To enable the Secretary of Agriculture, in carrying out the provisions of the Act of March 4, 1921 (Forty-first Statutes at Large, page 1441), to pay for ice, electricity, gas, fuel, travel, stationery, printing, telegrams, telephones, labor, supplies, materials, equipment, miscellaneous expenses, necessary repairs and alterations, to be reimbursed by any person for whose account any such expenditure may be made: *Provided*, That the Secretary of Agriculture may purchase necessary supplies and equipment for use at Center Market, without regard to awards made by General Supply Committee; to continue the employment of the necessary persons under the conditions in existence at the time of the taking over of the property by the Secretary of Agriculture, with such changes thereof as he may find necessary; to provide a fund for the payment of freight, express, drayage, and other charges and claims against the commodities accepted for storage, and to require reimbursement thereof with interest at the rate of 6 per centum per annum under such rules as the Secretary of Agriculture may prescribe, and to remove, sell, or otherwise dispose of such commodities held as security for such payment when such reimbursement is not made when due, all reimbursement of such payments and all receipts from such disposition of commodities to be credited to such fund and to be reexpendable therefrom; and to use such other means as the Secretary of Agriculture may find necessary for the proper occu-

for the purpose of discharging the obligations created hereunder in any State or Territory: *Provided further*, That the total expenditures on account of any State or Territory shall at no time exceed its authorized apportionment.

Cooperative Construction of the Federal Aid Highway System: For carrying out the provisions of the Act entitled "An Act to provide that the United States shall aid the States in the construction of rural post roads, and for other purposes," approved July 11, 1916, and all Acts amendatory thereof and supplementary thereto, to be expended in accordance with the provisions of said Act as amended, \$13,000,000, to be available until expended, being part of the sum of \$75,000,000 authorized to be appropriated for the fiscal year ending June 30, 1925, by paragraph 1 of section 4 of the Act making appropriations for the Post Office Department for the fiscal year 1923, approved June 19, 1922: *Provided*, That the Secretary of Agriculture is hereby authorized, immediately upon the passage of this Act, to apportion among the several States, as provided in section 21 of the Federal Highway Act, approved November 9, 1921, the sum of \$75,000,000 authorized to be appropriated for the fiscal year ending June 30, 1925, by said paragraph 1 of section 4 of the Act approved June 19, 1922: *Provided further*, That the Secretary of Agriculture shall act upon projects submitted to him under his apportionment of this authorization, and his approval of any such project within three years shall be deemed a contractual obligation of the Federal Government for the payment of its proportional contribution thereto.

Total, Department of Agriculture, \$58,575,274.

Approved, June 5, 1924.

CHAP. 267.—Joint Resolution Directing the Secretary of the Interior to withhold his approval of the adjustment of the Northern Pacific land grants, and for other purposes.

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of the Interior is hereby directed to withhold until March 4, 1926, his approval of the adjustment of the Northern Pacific land grants under the Act of July 2, 1864, and the joint resolution of May 31, 1870, and he is also hereby directed to withhold the issuance of any further patents and muniments of title under the said Act and the said resolution or any legislative enactments supplemental thereto or connected therewith, until after Congress shall have made a full and complete inquiry into the said land grants and the Acts supplemental thereto for the purpose of considering legislation to meet the respective rights of the Northern Pacific Railroad Company and its successors and the United States in the premises: *Provided*, That this Act shall not prevent the adjudication of any claims arising under the public land laws where the claimants are not seeking title through the grants to the Northern Pacific Railroad Company, or its successors, or any Acts in modification thereof, or supplemental thereto: *Provided further*, That the inhibition against the approval of said land grants and the issuance of patents and muniments of title thereunder shall unless further extended terminate on March 4, 1926, unless on said date said land grants and the proceedings thereunder are being adjudicated at the direction of Congress in the courts, in which event the approval of said land grants and the issuance of patents and muniments of title shall await the final adjudication thereof.

SEC. 2. The Secretary of the Interior is hereby directed to advise Congress of the status of the said Northern Pacific land grants,
